EDUCATION

Master of Computer Applications (2022-2024)

Jawaharlal Nehru University New Delhi

CGPA- 7.4/9

Diploma in Computer Application (2021-2022)

Hartron skill Center Hisar - A+ grade

Bachelor of Science (2018 - 2021)

Govt. College Hisar - 79%

Intermediate (2017-18)

Govt. Sr. Sec. School

Percentage – 93.4%

High School (2015-2016)

Bharat High School Hisar

Percentage - 91%

PROJECTS

- **GenAI Smarter User Solution**

Technologies Used: Python, GenAI, Azure OpenAI, MongoDB, Flask, ChromaDB, Linux, Langgraph

Project Overview:

I worked as a Backend Developer on a GenAI-powered chatbot to improve defect searchability in the company's internal search engine. Using the RAG approach, I stored defect details in ChromaDB and enabled context-aware query processing. By leveraging cosine similarity-based search, the chatbot provided highly relevant results with clear explanations. This solution streamlined defect resolution, making it faster and more intuitive for developers.

- **Effort Estimation Chatbot for 3P Software Vulnerabilities**

Technologies Used: Python, GenAI, Azure OpenAI, MongoDB, Flask, ChromaDB, Linux, LangChain

Project Overview:

I developed a GenAI-powered chatbot to automate effort estimation for fixing vulnerabilities in third-party (3P) software. Using the RAG approach, the chatbot analyzes queries, identifies vulnerable 3P software, and estimates fixing effort. This solution replaced manual tracking, making the process faster and more efficient.

- **Various Game Design (Technologies used: - HTML ,CSS, Javascript)**

Whack a Mole , Snake Game , Sudoku Solver , Rock Paper Scissors .

CODING PROFILE

- **LEETCODE :-** [LEETCODE Profile](#)

GEEKS FOR GEEKS :- [GFG Profile](#)

EXPERIENCE

- Done 4 months of **Internship** at **Amdocs** where I worked on GenAI related project.
- Currently working as a **Software Engineer** at **Amdocs** since **Aug, 2024**.

TECHNICAL SKILLS

- | | |
|---------------------------|--|
| • Languages | Python, GenAI , C++ , Prompt Engineering, LLM, Langgraph |
| • Tools | Vs Code , Git , Github, Postman |
| • Database | My SQL, Oracle, MongoDB, VectorDB(ChromaDB) |
| • Operating System | Windows , Linux |

CERTIFICATES

- **HackerRank** Problem Solving (Basic)
- **HackerRank** SQL(Basic)
- Got Certificate of **OutStanding Performance** in **12th** Class from **HBSE Board**.

ACHIEVEMENTS & POSITION OF RESPONSIBILITY.

- **POSE SCHOLAR** during my graduation.
- Won **Gold** , **Silver** and **Bronze** medal in **District** , **State** and **Inter College Level Chess Championship**.
